President's Corner

VERY TEMPORARY
Vice presidents corner

Our wonderful club president Yvonne is under the weather, so you are stuck with me. I have opined on best dessert in town (Armeovil at Taste of Greece, and Peanut butter pie at Jacks) but never a column. We all hope Yvonne will be back soon, (especially me so I don't have to do this again) so please wish her well and say a little prayer for her.

Two reminders to keep in mind 1. Sr. Resource day Oct. 15 for all things we should know, and Our Saturday BINGO Oct. 24 . You don't need reservations for Sr resource day, BUT you must make a reservation for Saturday Bingo so we know how many lunches to provide. Our Wednesday bingo games are almost to capacity and maybe next year we will need a bigger room. Come enjoy the fun every Wednesday Games start 12:30 but doors close 12:20 so don't be late.

New and exciting things are happening at our club office, so please come by and say hello. No hints here. As Yvonne would say we also need volunteers to answer the phones or other projects, so if you have 2 hours a week, come in and help out. I will be in the office a little more often now, but don't let that keep you from coming in.

Looking forward to an exciting next few months and don't forget our Christmas party is coming up.

-Marc

SENIOR CENTER BOOK CLUB

Good Day Fellow Readers,

Again, I have to report that our meeting of September 4th was fantastic.

Pam Hilton did a great job of leading the discussion about **"The Art Thief"** by Ariel Lawhon and what an animated and wonderful discussion it was!

This book is a true crime narrative that tells the story of Stephne Breitweiser, a prolific thief, who stole more than 200 works of art across Europe during the late 1900's and early 2000's from museums and galleries.

His motivation, hard to believe, was never for profit but only for his love and appreciation of art. Our entire club loved this historical novel and rated it highly.

Next month on Friday Oct. 2nd at 1pm we will be discussing **"The Frozen River"** by Ariel Lawhon. Until then, keep on reading and discovering new and exciting books to share.

MEMBERSHIP APPLICATION FORM

Hello! The Laguna Niguel Senior Citizens Club, Inc. (a non-profit 501(c)(3)) was chartered in **1985** by Orange County Senior Services. A group of dedicated volunteers organized the senior citizens in our area. They shared hours of fund raising and registered voters to form the City of Laguna Niguel, and also began meals for seniors and dreamed the goal of a senior center. All of this took place prior to the City of Laguna Niguel forming in 1989.

Our Laguna Niguel Senior Citizens Club has an office located in the Sea Country Senior and Community Center, which is owned and operated by the City of Laguna Niguel.

The Laguna Niguel Senior Citizens Club is an independent organization and receives no funding from the City. The Board members and program chair persons are all volunteers.

We are inviting all seniors over 50 residing in "Orange County" to join us and utilize their gifts/talents to serve other seniors in our community and to have fun!

Below is our membership form. Please mail or return to our office. We sincerely look forward to having you join our club. Let's **CELEBRATE 40 YEARS OF SERVICE TO OUR COMMUNITY!**

THE 'WITCH'S SONG, FROM 'MACBETH' +

by William Shakespeare

Double, double toil and trouble;
Fire burn and caldron bubble.
Fillet of a fenny snake,
In the caldron boil and bake;
Eye of newt and toe of frog,
Wool of bat and tongue of dog,
Adder's fork and blind-worm's sting,
Lizard's leg and howlet's wing,
For a charm of powerful trouble,
Like a hell-broth boil and bubble.

Double, double toil and trouble;
Fire burn and caldron bubble.
Cool it with a baboon's blood,
Then the charm is firm and good.

DID YOU KNOW

That octopuses have three hearts? Two stop beating when they swim.

That bananas are berries, but strawberries are NOT?

That honey NEVER spoils. Archaeologists have found edible honey in Egyptian tombs 10,000 years old.

That some turtles breathe through their butts when under water?

That a shrimp's heart is in its head?

That rubber bands last longer when refrigerated?

That sharks existed before trees? Also, that they are the only known fish that can blink with both eyes?

Here's hoping that you enjoyed reading these little tidbits of information as much as I enjoy sharing them.

Until next time, take care of yourselves and stay healthy.
